

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tiresome it would really be to tidy up your house after having a big party, with no help from cleaning machines. In the past, the time carpets and upholstery had the dust beat out of them by hand; brooms, cleaning cloths and brushes were the best cleaning materials during that time.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the business in 1906, he began to produce motors to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's vision from the beginning was to own a worldwide business marketing goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner which can be operated by a single individual as it just weighed 17.5 kilos! This creation came in a time where numerous cleaning equipment were huge and needed at least 4 operators, therefore, the Nilfisk C1 transformed everything and developed the method we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning machines offer an excellent solution to an existing crisis; stuff get filthy and have to be cleaned on a regular basis, without a lot of effort.

Gradually but steadily, Nilfisk-Advance grew throughout the decades. In the 1980s, this development truly occurred the time the company became a part of the NKT Group. Their new owners' determination and concentration made Nilfisk-Advance take a huge leap ahead within the trade, aiming to be amongst the leading global players in the market of professional cleaning machines. Nilfisk-Advance is now found in all parts of the globe by steadily obtaining many smaller businesses in order to expand their product selection and presence in new markets. They are really proud to present various cleaning solutions to meet each need.
