

American Lincoln Parts

American Lincoln Parts - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the industry they are recognized within the industry as providing strong and durable equipment which suits all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber together with the Clarke Company that is now likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln has the ability to supply parts, warranty service and machinery for these kinds of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility supervisors where results and efficiency matter. Recently, this particular floor scrubber model has been used by the architects in different construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site due to the model's excellent quality and supreme performance level for polishing concrete.
